

Press release October 25, 2018

MUNTERS APPOINTS MICHAEL GANTERT AS PRESIDENT BUSINESS AREA DATA CENTERS

Michael Gantert has been appointed President Business Area Data Centers and member of the Group Management team.

Michael Gantert has more than 8 years of experience within the data center business. Previously, Michael has held four positions within Munters, the latest as Data Center Global Commercial Director. Michael served as an Officer in the US Army for six years. In addition, he has also worked as a Project Manager and a Technical Service Manager before joining Munters.

He holds a Bachelor of Science in Mechanical Engineering from Virginia Military Institute.

Michael Gantert assumed his position today, October 25, and reports to the CEO.

The role was previously held by Neil Yule, who will stay with Munters as Senior Advisor until June 2019.
