You accept these Terms by activating the Controller in the relevant Munters mobile or web application (“**App**”), pairing the Controller with your farm in the App and clicking “Accept Terms of Use”. Pairing of the Controller may for certain Controllers or Apps require an unlocking procedure. If you for any reason do not accept parts of these Terms do not proceed by clicking “Accept Terms of Use”. If the Terms are not accepted, the Services will not be available and Munters will not be able to provide any support to you and you will not be able to see any Controller Data (as defined below) in the App.

If you wish to terminate the Terms including the access to the Services, you can do so by rejecting the “Terms of Use” when prompted during the setting up of Controllers or unpairing existing Controllers from the farms where they have been registered, subject to the termination provisions provided for herein.

If you choose to reject the “Terms of Use”, Munters is entitled to, in its sole discretion and without giving any prior notice to you, disconnect the Services and any other relevant related Munters services.
